## PLACE

Trencin is placed on west part of Slovakia /about 15km from Czech border/, in a valley of Vah river. Mountains around are about 300 m higher. There is about 50 thousand inhabitants and a lot of history in each corner of this nice town.

## ACCOMODATION

Accommodation will be individual.

Most of accommodation capacities in Trencin you can see on official web page of Trencin town:  
<http://www.trencin.sk/index.php?s-cv-contentID=13135&s-accommodation-pager-pindex=1>

Adventure oriented crews we would like to focus in Autocamping. There are easy wooden cottages directly on the bank of Vah river. Direction to the city center is about 300m, to the swimming pool 100m. Cottages are for 4-5 persons with price up to 5,- EUR / person / night. More info on <http://web.viapvt.sk/autocamping.tn>

In the same locality there is also Sporthotel.

There is a common hotel standard with a price about 17,- EUR / person / night. Between Autocamping and Sporthotel there are tennis courts, minigolf, badminton hall, bowling, 2 restaurants and some nice terraces with good beer. Distance from this locality to the airport is about 4 km.

Some rooms will remain also in Pension Airport, directly next to the briefing tent. It is very good standard in a price from 15,- EUR / person / night. There is also nice restaurant used by Aeroclub. More info on <http://www.penzionletisko.sk>

## MAPS

Competition maps will be ready app. one month before competition. It will be possible to download them in OziExplorer form from our official web page. In paper form you can get them on check-in.

Informations for competitors will be continuously actualised on [www.crazyclub.sk](http://www.crazyclub.sk)

See you soon
